

This Month: Bosch Ranges and OTR

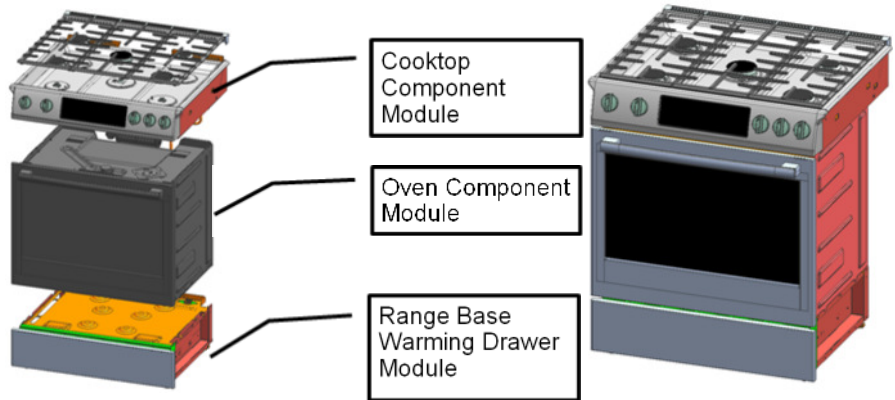

BOSCH
Invented for life

Love a sleek, built-in look but only have room for a range? Replace your freestanding range to a slide-in range without changing cabinetry or countertops. These sleek, full-depth ranges optimize counter space, offering five burners, ovens with European convection and a convenient warming drawer.

Module Components

Using components for our built-in products we are able to offer a versatile range to fit in any kitchen.

- 5 Burners - 18k BTU
- Stainless Steel Main Top
- Low-profile Continuous Grate
- 4.8 cu.ft.
- Warming Drawer
- Stainless Steel Knobs
- LP Conversion Kit included

Advanced Circulation System (ACS)
A powerful third heating element (2,000 W, 2 coil) surrounds the convection fan that allows food to be cooked more evenly in up to 30% less time with optimized heat circulation

The Over the Range Microwave is designed to install with a Bosch Slide-in Range

HMV8044U

- 1.8 cu. ft.
- 385 CFM
- 1000 Watts
- 1500 Watts Convection Cooking
- Sensor Cooking
- Stainless Steel Cavity
- LED cavity and surface lights
- Seamless Vent Cover

Did you know that Bosch Slide-in Ranges are available in different fuel sources?
Customers can choose from all Gas, Electric, Induction or Dual Fuel.
