Built-in Look & Feel

As a true counter depth it sits flush with the countertop for a clean look and easily fits in many existing freestanding cutouts with it's 70" overall height.

Stainless Steel Back Wall

The stainless steel back not only looks beautiful, but the high quality material keeps the back of the refrigerator cold.

VitaFreshPlus™

Two drawers provide ample storage and offer independent humidity controls creating the optimal environment for fruits and vegetables.

- **AirFresh® Filter**
Absorbs odors and is designed to last the life of the unit
- **Hidden Controls**
Tucked away inside to avoid accidental changes
- **Wide Gallon Door Bins**
Featured on both sets of doors for practical organization
- **Black Stainless Steel**
Finish guards against scratches & fingerprints and cleans up with just a damp cloth

- **MultiAirFlow™**
Evenly circulates air from corner to corner to keep food fresh regardless of placement

Connected Refrigeration
