

# Bosch Builder Program & Resources

## Elevate your next project with the timeless quality of Bosch.

Getting your vision off the ground takes people and expertise you can count on from start to finish – and beyond. And that's just what you'll get when you partner with Bosch Home Appliances. Below are just a few examples of what Bosch Home Appliances can offer.

### The Bosch Virtual Kitchen.

Select appliances for your building and development projects with complete flexibility and efficiency. Take advantage of the Bosch Virtual Kitchen as a virtual showroom, kitchen inspirator and design tool where you can experience true Bosch quality and design by interacting with each product feature and innovation. ### The right fit and finish.

Bosch appliances are designed for form and function. Always flush installation delivers a seamless look for any kitchen project. In addition to classic stainless steel, we also offer a full suite of Black Stainless Steel appliances which help guard against scratches and fingerprints.

### Compact Appliance Portfolio.

Our suite of compact 18" and 24" appliances deliver full-size features and premium performance – Bosch quality, in a smaller package designed to fit compact kitchen projects. Discover their benefits and get helpful tips on choosing the right small appliances for your project.

### The Smart Kitchen with Home Connect.™

Smart homes help people stay in the know when it matters. That's why Bosch created a collection of connected appliances designed to make life easier. Home Connect™ allows a variety of smart home appliances to be remotely monitored and controlled with a single app, for a new level of ease and convenience from Bosch.

### TEXT4SPECS

Send a text to "21432" with the full model number of any Bosch appliance and receive a text link back with the spec sheet.

And there's so much more...
