Like a wine cellar in your refrigerator

Sleek display drawer made of tempered glass holds up to an impressive 17 standard wine bottles, all with pre-programmed temperature and humidity settings. Or, remove the top shelf to make room for up to 6 magnum bottles.

Fits a variety of bottle shapes and sizes

Stay organized and free up refrigerator space by storing all your drinks - up to 35 standard beverage cans, in fact - in one easy to access drawer.

Freshness

MultiAirFlow evenly circulates cool fresh air to maintain consistent temperatures throughout the entire fridge cavity, including door bins and back corners.

Air Fresh Filter absorbs even the toughest food odors, keeping your refrigerator air fresh.

Dual compressors Stronger performance

Dual compressors and dual evaporators offer efficient and precise cooling and humidity control, while significantly limiting odor transfer between the refrigerator and freezer, creating the optimal freshness environment.

UltraClarityPro™ water filter

This industry-leading water filter removes an astonishing >99.9% of sediments, including harsh elements like chlorine and chloramine.

Filtered internal water

Beautifully hidden inside, the dual dispensing interior water dispenser lets you enjoy pure, fresh water with the touch of a button or tap of your glass or bottle.

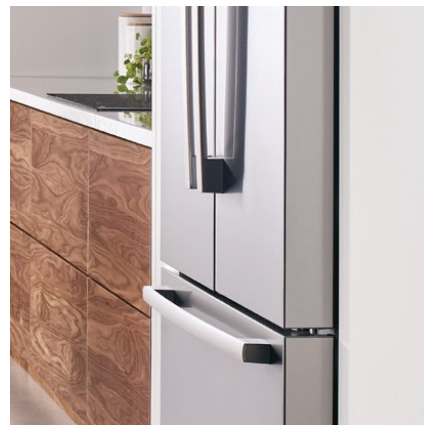

Filtered pyramid ice

Enjoy beautiful, pyramid-shaped ice right from your freezer. Store in the ice bin or remove completely for a full drawer of ice storage.

Connected refrigeration

Receive open door notifications or remotely connect with a servicer with remote diagnostics

Exterior Design

True counter depth

Sits flush with the countertop, with hidden hinges and discreet, tucked away feet. Sleek, freestanding refrigerators effortlessly look and feel built-in.

Easy to clean

Keep your kitchen looking beautiful with an easy-to-clean stainless steel exterior. Simply wipe with a damp cloth, no stainless steel cleaner necessary.

Interior

Our new freestanding, counter-depth refrigerators are beautifully designed in both form and function with stunning LED illumination from corner to corner, and a cool stainless steel back wall.

FlexBar™ creates extra space in your refrigerator and is completely adaptable to you and your needs. Move the bar up or down. Adjust accessories anywhere along the bar. Add or remove accessories for your ideal configuration, and enjoy your new home for wine bottles, condiment jars, and more.

The interior shelves are designed with glass and metal. Split shelves are easily adjustable to accommodate your grocery needs.

Wide gallon door bins

Featured on both sets of doors, our wide gallon door bins easily accommodate two large, side-by-side gallon containers each.
