

Introducing the New Bosch 300 Series Gas Cooktops

The 300 Series gas cooktops are engineered to deliver perfect results with minimal effort. Bosch gas cooktops feature 4 or 5 high-efficiency gas burners allow you to cook multiple dishes at once.

Continuous grates

Continuous grates make moving heavy pots easy, so you can cook your favorite dishes with ease.

Cooking flexibility

Gas cooktop burners feature high heat and low simmer options for optimal cooking flexibility. Powerful 16,000 BTU* burner for boiling, searing and stir-frying.

Easy to clean

One-piece stainless steel design makes clean-up easy.

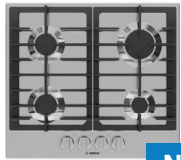

Automatic re-ignition

Electronic re-ignition will automatically re-ignite the burner in case the flame goes out.

* Not available on models NGM3450UC or NGM3051UC.

Beauty in every detail.

Ease of use

Perfect results are within reach with up-front centralized controls.

Sleek and timeless design

Every Bosch appliance displays the beauty of function. Heavy-duty metal knobs provide a premium look and feel.

FlameSafe®

FlameSafe® thermocouple sensing device will switch off the supply of gas if flame temporarily extinguishes.
