

Do the dishes like a Bosch

Join our trainers for a live virtual training, focusing on the latest innovations in our current Bosch Dishwasher lineup.

You will learn about the notable changes in the 800 series, the introduction of ZoneWash technology in select 500 series models—which provides three times more water power to effectively tackle tough, stuck-on food—and the enhancements made to the 100 and 300 series dishwashers. Discover how these advancements contribute to Bosch's reputation for notable performance and reliability.

Select from the training times below, we look forward to seeing you there!
